

# Freshmen Class of 2024

Welcome to Kealakehe High School. A lot has changed since the last time you were in school. I am sure you never envisioned your first year in highschool like this. Under these difficult circumstances, most of you will need to become the self-directed learner your middle school teachers were pushing you to become. This year will be no different.

In order to graduate from high school, the state of Hawaii requires you to complete a personal transition plan, or the PTP. The PTP is defined by the Department of Education, as a plan of action for YOU to move successfully from high school to post-secondary and/or career venues. We hope the designed assignments will guide you to make your goals attainable.

Below, you will find a checklist. Each time you complete something on this list, please mark it as done by adding a ✓ in the appropriate box. Once all these requirements have been completed and all sections have been marked as done, turn this document into Google Classroom! If you do not turn it in, we will assume you are not finished and we will NOT check your PTP. Remember, all assignments can be found in your advisory Google Classroom called “NEW PTP!” Check there often for announcements and deadlines.

So where does the self-directed learner come in? Now! You will not see your advisory teacher until January 2021. You have to take it upon yourself and complete the requirements of the freshmen PTP. If you have any questions, please feel free to contact any teacher you are comfortable with, counselor, and/or librarians. Welcome to Kealakehe High School!
