

Junior Class of 2022

Welcome to your junior year. A lot has changed since the last time we saw you. Over the summer, a handful of teachers got together and revised the requirements of PTP. Just as a reminder, the PTP has to be completed by every student in order to graduate.

The PTP, or personal transition plan, is defined by the Department of Education, as a plan of action for YOU to move successfully from high school to post-secondary and/or career venues. We hope these changes will guide you to make your goals attainable.

Below, you will find a checklist. Each time you complete something on this list, please mark it as done by adding a ✓ in the appropriate box. Once all these requirements have been completed and all sections have been marked as done, turn this document into Google Classroom! If you do not turn it in, we will assume you are not finished and we will NOT check your PTP. Remember, all assignments can be found in your advisory Google Classroom called "NEW PTP!" Check there often for announcements and deadlines.

If you have any questions, please feel free to contact your advisory teacher, counselor, and/or librarians.
